4 More people are now migrating due to the effects of climate change. The United Nations is concerned about the problems this causes and is considering the following actions:

- Encourage governments to work together to reduce climate change.
- Plan new communities in safe places for migrants.
- Promote lifestyle changes that are better for the environment.

Which **one** of these actions would you recommend, and why?

In your answer, you should:

- state your recommendation
- give reasons and evidence to support your recommendation
- use the material in the sources and/or any of your own ideas
- consider different arguments and perspectives.
