4 Your local community wants to improve the quality of water in the area.

The following actions are being considered:

- get help from charities for hygiene projects like toilet twinning and health education
- give advice to local businesses about how to reduce pollution
- raise taxes so the government can pay for a new water treatment centre and sewage works.

Which **one** of these actions would you recommend to the community, and why?

In your answer, you should:

- state your recommendation
- give reasons to support your choice
- use the material in the sources and/or any of your own ideas
- consider different arguments and perspectives.
