4 A government wants to improve the working conditions of gig economy workers.

The following actions are being considered:

- Introducing laws to protect the rights of gig economy workers.
- Educating employers about the difficulties of working in the gig economy.
- Encouraging gig economy workers to join trade unions to fight for their rights.

Which **one** of these suggestions would you recommend to the government and why?

In your answer, you should:

- state your recommendation
- give reasons and evidence to support your choice
- use the material in the sources and/or any of your own ideas
- consider different arguments and perspectives.
