4 Your government wants to improve education for everyone in school. The following areas of investment are being considered:

- provide more money for school buildings and equipment
- improve the number and quality of teachers
- give rewards to children with good attendance and exam results.

Which **one** of these actions would you recommend to the government, and why?

In your answer you should:

- state your recommendation
- give reasons to support your choice
- use the material in the sources and/or any of your own ideas
- consider different arguments and perspectives.
