4 A local school would like to improve the quality of education for all learners.

The following suggestions have been made:

- improve the literacy skills of younger learners
- increase opportunities to learn outside the classroom
- improve preparation for examinations so that learners gain more qualifications.

Which **one** of these suggestions do you think is likely to have the most impact, and why?

In your answer you should:

- state your preferred suggestion
- give reasons to support your choice
- use the material in the sources and/or any of your own ideas
- consider different arguments and perspectives.
