4 A government wants to reduce pollution in its cities.

The following actions are being considered:

- promoting the use of electric vehicles
- encouraging more walking and cycling
- making public transport free.

Which **one** of these actions would you recommend to the government and why?

In your answer, you should:

- state your recommendation
- give reasons and evidence to support your choice
- use the material in the sources and/or any of your own ideas
- consider different arguments and perspectives.
