Amazing Excursions has introduced six new destinations to its itineraries. Following the results of its 'Tell Us What You Like' telephone survey, Amazing Excursions wants to compete with other coach operators. It has also introduced special rates to appeal to groups during the off-peak season. Cheaper low season costs, including hotel rates, have enabled Amazing Excursions to offer a 20% reduction in prices from October to March.

Amazing Excursions' 5-City Tour is likely to be popular as it offers affordable prices with the convenience of a guide and no need for expensive transfers from the airport. The 5-City Tour only uses good quality accommodation and offers evening entertainment at no extra cost.
