SOCIOLOGY **0495/11**

Paper 1 **October/November 2013**

2 hours 30 minutes

Candidates answer on the Question Paper.

No additional materials are required.

READ THESE INSTRUCTIONS FIRST

Write your Centre number, candidate number and name on all the work you hand in.
Write in dark blue or black ink.
You may use a soft pencil for any diagrams, graphs or rough working.
Do not use staples, paper clips, highlighters, glue or correction fluid.
DO **NOT** WRITE IN ANY BARCODES.

Answer Question 1 and **three** questions from Sections **B** to **D**.
You may not need all the answer lines for your answer.
The number of marks is given in brackets [ ] at the end of each question or part question.

This document consists of **22** printed pages and **2** blank pages.

Section A: Research Methods

1 The sociologist's choice of research method will depend on ho they have for the research. For example, large-scale *cross-secti* many researchers and cost a lot of money. On the other hand, sm researcher using covert or *overt observation* may be cheaper to c

Another influence on the choice of research method is whethe collect quantitative or qualitative data.

Ethical issues are also a factor that the researcher has to consider and this may influence them to use already published studies so as to avoid the *researcher effect*.

(a) In sociological research what is meant by the following terms:

(i) Cross-sectional surveys

.....
